3. Employment Basics

3.1 Working Hours

Standard working hours are 08:30–17:30, Monday to Friday, with core collaboration hours of 09:00–16:00. Engineering and Data roles may adopt flexible start times with manager approval.

3.2 Probation Period

All new hires undergo a 60-day probation period, during which onboarding modules assigned by the SkillSprint AI platform must be completed (see DOC-11, SOP – Employee Onboarding Process, added in Phase 2).

4. Code of Conduct

All employees must comply with the Workplace Conduct Policy (**DOC-04**) in full. This handbook does not restate conduct rules; DOC-04 is the authoritative source.

5. Compensation & Benefits Overview

5.1 Leave Entitlement

Base annual leave entitlement and role-specific variations are defined in the HR Leave Policy (**DOC-03**). This handbook governs only the carryover rule (Section 6 below), which takes precedence over any earlier version.

5.2 Expense Reimbursement

Expense claims follow the SOP – Financial Reimbursement (**DOC-09**).

6. Leave Carryover Rule [MANDATORY — ALL ROLES]

Effective with this version (v2.0), employees may carry over a **maximum of 5 unused annual leave days** into the following calendar year. Carried-over days must be used by **31 March** of the following year or they are forfeited. This rule **replaces** the no-carryover rule stated in the obsolete Employee Handbook v1.0 (**DOC-02**, superseded 2026-01-01).

7. IT & Data Handling Basics

Every employee must complete Information Security Policy (**DOC-06**) and Data Privacy Policy (**DOC-05**) training within the first 30 days of employment. Roles handling customer or personal data (Data Analyst, HR Executive, Finance Associate) are subject to additional access controls defined in DOC-05 §4.
